

4-port LC duplex optical fiber terminal box

4-port LC duplex optical fiber terminal box

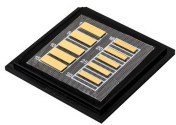

Wall mount termination box in plastic with 4 LC Duplex ports, designed for efficient and secure fiber connections.

With its compact yet robust construction, this fiber optic FTTH Terminal Box offers ...

Technical Specifications: Includes high quality 8 Strand LC UPC singlemode 0.9mm colorful 1meter pigtails and 4 duplex LC adaptors in a fully loaded configuration

Packaging should be the same as what is found in a retail store, unless the item is handmade or was packaged by the manufacturer in non-retail packaging, such as an unprinted box ...

This plastic indoor/outdoor fiber optic terminal box has a latching top for easy access and accepts up four SC simplex or four LC duplex panel mount couplers. It is used to interconnect fiber splices and ...

This unit supports termination, splicing, and storage for fiber optic cable systems. Additionally, engineered fiber routing within the unit protects bend radius to maintain signal integrity.

The 4 port FTTH termination box is a professional enclosure designed to provide a reliable and efficient fiber termination solution for indoor fiber-to-the-home applications.

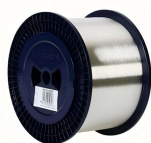

- Versatile connectivity: The FTTH termination box supports both SC simplex and LC duplex connectors, providing flexibility for various fiber optic network configurations.

Optical termination box for outdoor usage with a capacity of four cores with SC simplex adapters, and eight cores with LC duplex adapters. IP66 protection.

Indoor/Outdoor FTTH Fiber Distribution Box, 4 Port Fiber Distribution Box with 4 LC Singlemode pigtailed and 2 LC Duplex Singlemode adapters. Includes: Dimensions: 8.27" x 5.31" x 1.57"

With its compact yet robust construction, this fiber optic FTTH Terminal Box offers the perfect housing solution for your fiber optic network, ensuring both protection and accessibility.
