

## 80km optical module distributor

## 80km optical module distributor

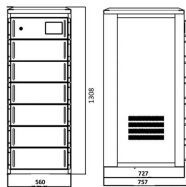

Meet high traffic demands with coherent optics for DCI, metro access, aggregation, and long-haul networks. The 100G ZR QSFP28-DCO transceiver leveraging staircase FEC and QPSK modulation ...

HTFuture's 100G QSFP28 ZR4 Optical Module offers 80km SMF transmission at 100Gbps, perfect for high-speed data centers.

100G QSFP28 ZR4 is designed for 80km optical communication applications. This module contains 4- a lane optical transmitter, a 4-lane optical receiver, and a module management block including 2 wire ...

Experience high-speed data transmission with 100G QSFP28 BIDI ZR4 optical modules. This 100G transceiver supports up to 80km over smf - AscentOptics.

Product Specification 80km 100GBASE-ZR4 QSFP28 Optical Transceiver Module ND-XXX-QSFP28-ZR4-100G

The SMF-28 Corning 80km Optical Fiber Spool may still be available for purchase and support from Artisan Technology Group beyond End-Of-Life (EOL) by the manufacturer (OEM).

Utilizing LC connectors and operating at a 1310nm wavelength, it enables high-speed data transmission over single-mode fiber for distances up to 80 kilometers. This module provides a reliable long-reach ...

Extended 80 km Transmission for Long-Haul Networks: Supports 100GBASE-ZR4 standard with LAN-WDM optics, enabling up to 80 km reach over G.652 single-mode fiber for metro and backbone ...

TRENDnet's SFP Single Mode LC Modules are compatible with standard SFP slots found on network switches and fiber converters. Each single mode SFP transceiver is equipped with a duplex LC fiber ...

Good quality 60km~80km transceivers module, offer 100gbase zr4,100gbase zr,oif 400zr,qsfzr at wholesale best prices.Fast Shipping! Global Shipping.

100G QSFP28 ZR4 is designed for 80km optical communication ...
