

## Angola power distribution box dimensions and connectors

### Overview

Browse detailed specs, bulk order options, and OEM/ODM services on MadeinChina. The enclosure is made of bent steel plates, featuring a compact structure, easy maintenance, and flexible circuit scheme combinations. Besides air circuit breakers and fuses for circuit protection, the RB21 is a portable, safe, economic and easy to use pre-wired low voltage ready board with 2 (Two) sockets, 1 (One) lighting lamp and protection area. It is suitable for residential (small holding). Large electrical power distribution boxes come in several sizes—single-gang for one device, double-gang for two, and so on.
