

Asian Fiber Optic Connector Converter

Asian Fiber Optic Connector Converter

Fiber optic converter with SC duplex connection (1310 nm) for 100Base-TX to singlemode fiber optics, DIN rail mountable, extended temperature range, redundant power supply.

Media converters are often used in pairs to insert a fibre segment into copper networks to increase cabling distances and enhance immunity to electromagnetic interference. They can also extend ...

Shop DigiKey's large in-stock selection of Fiber Optic Connector Adapters. View inventory, pricing and order now for same day shipping!

The SFP fiber optic media converters are designed to meet the massive needs for Gigabit network deployment and able to extend a copper based Gigabit network via fiber cable to a maximum ...

Explore fiber media converter connector types like SC, ST, and LC. Understand their differences, uses, and how to choose the right connector for your network.

Fibershack - Bulkhead Fiber Optic Adapter Kit - 4 Piece Fiber Adapter Kit for SCUPC, SCAPC & LC to SC Cable Conversion - Fiber Optic Connector Kit for Fiber Conversion

FiDO is AJA's family of SDI/Optical Fiber converters. FiDO allows the transport of 12G/3G/HD/SD-SDI over distances up to 10km when using standard Single-Mode fiber optic cable. FiDO models support ...

The F-8ASI is a copper to fiber media adapter for both DVB-ASI and SD-SDI signals. This is our standard ASI over fiber transport unit for the broadband and broadcast industry. The F-8ASI units are ...

Shop DigiKey's large in-stock selection of Fiber Optic Connector Adapters. View inventory, pricing and order now for same day shipping!

CommFront offers a range of rugged, industrial-grade Ethernet / Serial to Fiber Optic media converters.

Explore our range of fiber optic media converters designed to extend network distances with high-speed, reliable connections. Perfect for enhancing data transmission and compatibility between fiber optic ...
