Barbados Long-Span Bridge

Bridgetown, the capital of Barbados, got its name from this bridge. The Chamberlain Bridge is now pedestrian only and it raises to allow boats to pass through. On one side is Independence Square ...

This horizontally swinging 39 foot steel bridge was built in 1872, so as to provide a path across the Careenage for small vessels entering the ''inner basin''. When traffic approached the bridge, two men ...

The Chamberlain Bridge is located in the heart of the capital city of Bridgetown. The bridge was originally a swing bridge constructed between 1865 and 1872 and was named after Joseph ...

The bridge was named for Joseph Chamberlain, a British Colonial Secretary, who in the 1890s played a key role in protecting the West Indian sugar industry from fierce competition in Europe. After many ...

Chamberlain Bridge, located in the heart of Bridgetown, Barbados, is a historic bridge that spans the Careenage, also known as the Constitution River. Originally built in 1872 as a swing bridge, it was ...

Chamberlain Bridge spans the Careenage marine inlet, joining two parts of Bridgetown with a moving lift system that lets vessels pass through. The structure allows foot traffic to cross while boats travel ...

The Chamberlain Bridge is a bridge in Bridgetown, the capital and largest city of the nation of Barbados. In 1872, it was a swing bridge across the marine inlet channel of the inner basin of the Careenage ...

Bridgetown, the capital of Barbados, got its name from this bridge. The Chamberlain Bridge is now pedestrian only and it raises to allow boats to pass through. On one side is Independence Square ...

The outmoded steel structure was dismantled and rebuilt in 2005–2006 as a lifting bridge with an all-composite single-leaf bascule design. This design is a counterweighted bridge span that ...

The Chamberlain Bridge, erected in 1872 across the harbour, a swing bridge operated by two persons, that allowed entry into the inner basin of the Careenage, was demolished and replaced with a ...
