

Compatible DML low-power optical module supplier in San Marino

Compatible DML low-power optical module supplier in San Marino

Search for and compare optical components from manufacturers around the world, or for custom jobs we'll match you with an industry expert service provider.

Proven low-power options: Wolon's Low-Power optical modules line is engineered to cut per-port power by a significant margin while keeping full protocol compatibility.

From low data rates to 800GB, we have compatible, energy-efficient modules tested with global standards. Get the quality you need for any application.

Featuring a single +12V DC power supply and a SMA RF input connector, this module is easy to operate and integrate. The module can be controlled remotely via the RS485 interface. Wavelength other ...

Built on Lumentum's high-volume InP manufacturing platform and GR-468 qualified for long-term reliability, the DML 25G TDM enables simple, compact, and low-power transmitters for 25G SFP28 ...

This paper describes the ever-increasing demand for highly integrated, small form factor, low profile yet thermally superior and electrically efficient power supply solution to support these high data rates and ...

Optical transceiver module designed for 10G-EPON OLT, PR40, unique 1577nm DML laser technology, high optical power, low power consumption.

Opelink are suppliers that offer wdm module, cwm dwdm optical module networking solutions to the needs of corporate enterprises, governmental organizations and privately owned data centers.

Industry-leading linear drivers for 100G to 1.6T PAM4 and Coherent-based optical modules provide cutting-edge performance, quality and reliability to enable high-speed data transmission for AI, cloud ...

MACOM delivers industry widest portfolio of chip-sets for 800Gbps (8x106Gbps) optical modules. These devices are typically used with VCSEL lasers and Photodectors for optical transmission over multi ...

From low data rates to 800GB, we have compatible, energy-efficient modules tested with global standards. Get the quality you need for any application.

Ma Labs, premier IT distributor, offers full selection of computer components, just-in-time integration services, flexible payment options, and best value to VARS, Computer Resellers, System ...
