

Default Routing for S7703 Core Switch

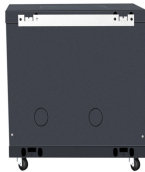

Default Routing for S7703 Core Switch

The S7700 supports IEEE 802.3az Energy Efficient Ethernet and provides the low power idle mode for the PHY line card. If the link utilization is low, the S7700 switches to a lower speed or power PHY to ...

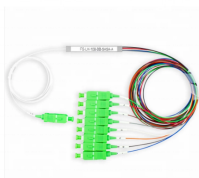

S7700& S8700& S9700& S12700& S16700 Series S7703: Access product manuals, HedEx documents, product images and visio stencils.

The S7700's multi-service routing and switching platform meets requirements for service bearing at the access layer, aggregation layer, and core layer of enterprise networks.

View online or download Huawei quidway s7700 Configuration Manual, Configuration Manual - Ethernet, Configuration Manual - Multicast, Hardware Description.

Manual for Quidway S7712, Quidway S7703, Quidway S7706, made by Huawei Technologies Co. Ltd (Huawei Technologies Co. Ltd)

The S7700 series is available in three models: S7703/S7703-PoE, S7706/S7706-PoE, and S7712. The switching capacity and port density of all three models are expandable. The S7700 is based on a ...

Huawei X7 Series Switches S7700 Datasheet (Detailed Version) The S7700 series switches (S7700 for short) are high-end smart routi.

It functions as an access switch or aggregation switch on a metropolitan area network (MAN) or a core switch on an enterprise network, providing fast Ethernet ...

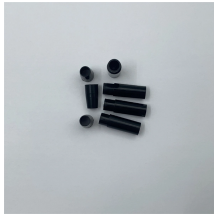

The built-in native AC on S7700 series switches allows enterprises to build a wireless network without additional AC hardware. S7700 switch can manage up to 4K APs. It is a core switch that provides up ...

The S7703 switches are high-end smart routing switches designed for next-generation enterprise networks. 1. Agile features supported in V2R5C00 and later versions. 3. Hardware BFD and Ethernet ...

It functions as an access switch or aggregation switch on a metropolitan area network (MAN) or a core switch on an enterprise network, providing fast Ethernet (FE), gigabit Ethernet (GE), and 10GE ...

The document is a datasheet for the S7700 series of smart routing switches from Huawei. The S7700 series offers intelligent services like MPLS VPN, traffic analysis, QoS policies, load balancing and ...
