

## Democratic Republic of Congo optical fiber cable manufacturer

### Overview

Genew Technologies and Zhongshi Wosen, both Chinese companies, will help the Democratic Republic of Congo (DRC) build its fiber optic network. Leading Telecom Equipment Providers in Central Africa Our vision is to become the leading solution provider in Fiber Optic communication system by providing Leading Brands and 'state of the art' services. The Congolese Minister of Telecoms, Augustin Maliba, signed the related memorandum of understanding (MoU) on April 7, 2025. This project will form the foundation for the digital transformation in DRC. Global Broadband Solution (GBS) is a company that offers telecommunications solutions in various fields. Its main product is the internet for professionals. Thus, it offers services mainly in optical fiber, Vsat and wimax to large companies in sub-Saharan Africa and particularly in the Democratic. This intervention concerns the support to the setting up and operationalisation of the National Digital Agency (ADN), the elaboration of a Master Plan for the development of broadband infrastructures and the complete feasibility studies of the Central African Fiber Optic Corridor, DRC component.
