Fiber Optic Cable Marker Pile Factory

Prevent damages to cables by alerting locators with permanent "Call Before You Dig" soil markers Convenient for areas where buried line posts, signs and markers are not convenient

Browse our selection of underground buried cable marker posts. Several styles to choose from including hybrid flat rail marker posts, dome marker posts, triview marker posts, test station marker posts, ...

Fiber optic cable marking posts identify the location of buried fiber optic data cables to deter people from digging and potentially damaging them.

Also available are our self-laminating write-on markers which are easy to write on and customize for each cable. They come in bright colors and are sure to point out important cables.

Pro-Mark Utility Supply, Inc. is a leading manufacturer of Pipeline Markers, Fiber Optic Cable Markers and Cathodic Protection Test Stations.
