

# **Fiber Optic Sensing Technology Consulting Company**

## Fiber Optic Sensing Technology Consulting Company

The Shape Sensing Company builds integrated fiber optic shape sensing platforms for medical devices, delivering full-length 3D device guidance for advanced navigation and intelligent procedures.

Our portfolio of distributed temperature, strain and acoustic sensing-based solutions help our customers to turn data into decisions. As a leading independent provider of fibre optic-based distributed sensing ...

HDS refers to a monitoring platform that leverages a custom-engineered fiber optic cable designed specifically for sensing acoustics, strain, vibration, and temperature, combined with advanced ...

Hawk Fiber Optics can assist you with all your needs as a fiber optic sensing solutions company. This revolutionary technology can protect assets, equipment, and perimeters.

Opterro offers unmatched fiber-optic sensing solutions with leading-edge system performance and decision-aid analytics. Our end-to-end solutions are deployed across multiple industries for real-time ...

OptaSense is a global leader in distributed fiber optic sensing (DFOS), providing advanced monitoring solutions that transform standard fiber optic cables into intelligent sensing networks.

At Sintela, we are redefining the future of Distributed Fiber Optic Sensing (DFOS) technology. As a global leader in advanced sensing solutions, we deliver cutting-edge systems that offer unmatched ...

Fiber optic sensing works by measuring changes in the “backscattering” of light occurring in an optical fiber when the fiber encounters vibration, strain or temperature change.

Luna fiber optic sensing and measurement systems help design, build and maintain products and processes for aerospace, energy, and more. Explore solutions now.

## Contact Us

For more information, pricing, or custom solutions, please contact us:

Website: <https://www.indzawo.co.za>

Email: [sales@indzawo.co.za](mailto:sales@indzawo.co.za)

Phone: +27 71 296 8473

Address: 22 Quantum Street, Midrand, 1685, Gauteng, South Africa
