

## Fiber optic cable number and model

### Overview

Here is the most important information: 864F means the cable contains 864 fibers SM means singlemode fiber 250 means the fiber has a 250 micron buffer coating. 89 inches (metric would be in mm) 206 LB/KFT means the cable weighs 206. The text on the cable starts with the Corning product name "Corning Rocket Ribbon (TM) Optical Cable," date of manufacture "01/2022" and a serial number. The phone handset graphic denotes this as a telecom cable. Perfect for fast, error-free termination in your ODF or splice closures. Available in OS2/OM3/OM4 at factory-direct wholesale pricing. The product and technical sections feature the latest information on fiber optic cable products, from applications and construction to detailed technical and specific. Since 1986, Proterial Cable America has been developing technologically advanced copper and fiber optic communication cables. Our dedication to engineering perfection is evident in the consistent quality and performance of all the cable products we manufacture. An optical fiber cable delivers signals over long distances with minimal attenuation, enabling.

## Fiber optic cable number and model

These measurements are not the actual outer diameter of the cable; they correspond directly to the optical fiber itself. This notation indicates that you are looking at either OM2, OM3, or OM4, as they ...

To facilitate differentiation and use, A unified code has been established for fiber optic cables. This article will delve into the interpretation of this code to help you select the correct type of ...

Since 1986, Proterial Cable America has been developing technologically advanced copper and fiber optic communication cables. Our dedication to engineering perfection is evident in the consistent ...

We can now provide you with NextGen Brand fiber optic cables that can be cut to length and shipped the same day, taking the hassle out of your hands!

See Fiber Optic Catalog for complete product information. \* Not for aerial or direct burial applications.

The text on the cable starts with the Corning product name "Corning Rocket Ribbon (TM) Optical Cable," date of manufacture "01/2022" and a serial number. The phone handset graphic denotes this as a ...
