Fiber optic connector SC cold coupling

	SC intermate test by NTT certified connector. Satisfies flammability rating UL94V-0. Available in following types; Flexible F type – Floating mechanism and comply with ANSI standards. Rigid F type ...
	Three types of Duplex SC connector. Available in following types; Flexible F type – Floating mechanism and comply with ANSI standards. Rigid F type – 12.7mm spacing between the fibers, low profile and ...
	We offer high-quality SC connectors designed for dependable, low-loss performance in data centers, telecom, and enterprise environments.
	Duplex SC connectors include two simplex connectors, plus a duplexing clip. The combination of a pre-radiused ceramic ferrule and precision polymer housing provides consistent long-term mechanical ...
	FASTConnect field installable connectors include LC, ST, SC and are compatible with 250 µm and 900 µm fiber optic cable, solutions designed for quick, tool-less termination. Ideal for enterprise, FTTx, ...

Corning offer a wide range of RoHS compliant SC couplings for all applications in Primise and FTTX networks. All couplings comply with the corresponding Standards IEC 61754-4 and GR-326 for single ...

Fibershack - Fiber Optic Coupler Kit - Fiber Optic Connector Kit Includes 26 Fiber Optic Couplers - for ST LC SC/APC SC Cables - Includes Hard Plastic Snap Lock case

Designed for single-mode networks, this SC-type connector features a precision zirconia ferrule and a durable push-pull blue housing. Perfect for FTTH, CATV, and data center applications, it offers ...

Our Field Assembly Optical Connector series are now available in SC, LC, or FC variants, catering for 250um to 900um, and 2.0mm, 3.0mm diameter single mode and multimode fiber types, ...

FiberLife offers a wide range of high-quality SC connectors, including single-mode and multimode SC connectors, SC quick connectors, and SC clips, designed to meet diverse fiber optic needs.
