Integrated Power Cabinet IP68 Product Manual

	The TRENDnet Outdoor IP68 Weatherproof Enclosure with Power Supply, model TI-CA4K, is well suited for use with TRENDnet''s line of industrial switches, fiber converters, and PoE injectors. The internal ...
	If you encounter any installation or operational issues with your product, check the pertinent section of this manual to see if the issue can be resolved by following outlined procedures.
	The Integrated Battery Cabinet (IBC) systems are housed in single free-standing cabinets. Two models are available: Model IBC-S (small cabinet) and Model IBC-L (large cabinet).
	Unlike generic enclosures, our integrated design includes all the power distribution, protection, and control elements required for safe, dependable operation and future expandability.
	View online or download Eaton IBC-SW Installation Manual.
