

## Jordanian cable tray price information table

## Jordanian cable tray price information table

MASEICO cable trays system has been designed and developed according to the latest international standards and measures in order to maintain the best installation solutions.

Cable trays are capable of supporting all types of wiring such as high voltage power lines, power distribution cables, sensitive control wiring, telecom wiring and optical cables.

Cable Tray is often a cost-effective solution compared to other materials. It is relatively affordable, especially when considering its durability and long lifespan.
