

Manufacturer of Fiber Bracket Cold Aisle Explosion-Proof Type

Overview

In 2024, Worthington Armstrong Venture (WAVE), a joint venture between Armstrong World Industries, Inc., acquired all of the assets of Data Center Resources, LLC (DCR) related to the design and manufacture of customizable, modular aisle. High energy costs and accelerated energy consumption has forced data center managers to implement strategies to achieve separation between the hot and cold air in the data center. NDS's ADVANCED AISLE™ Containment System provides the most cost effective, easy to implement and site-friendly total. Certain categories of Vertiv products can be purchased through an online reseller. Need help choosing a product?

Speak with a highly qualified Vertiv Specialist who will help guide you to the solution that is right for you. You just saved this product to your dashboard to view at a later time. You. Faztek's t-slotted aluminum frames and panel profiles offer versatility to create aisle containment systems to meet your data center's needs. TRAX hot aisle / cold aisle data center curtains are the industry leading low cost containment solutions.

Manufacturer of Fiber Bracket Cold Aisle Explosion-Proof Type

Custom engineered hot and cold aisle containment solutions that keep your data center running smoothly and make your build-out be more efficient, too.

Hot and cold aisle containment systems made from Faztek's aluminum extrusion profiles are not only flexible but fully scalable allowing your containment system to grow as you do.

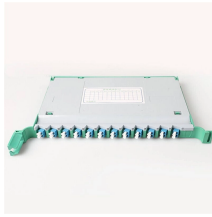

Looking for hot and cold aisle containment solutions? We are a designer, manufacturer, stocking warehouse, and supplier of custom & OEM aluminum extrusions for the hot aisle and cold aisle ...

Adaptable to hot and cold aisle containment, the Vertiv Aisle Containment system allows you to deploy containment before or after racks are installed to simplify installation and speed deployment of new ...
