

Manufacturer of Fully Automatic Optical Cable Winding Machines

Manufacturer of Fully Automatic Optical Cable Winding Machines

Conductix-Wampfler delivers advanced optical fiber machinery engineered for exceptional precision, stability, and production efficiency. As a global leader in bare fiber manufacturing technology, we ...

NovaLynx fully automatic fiber winding machine is designed for high-speed and precision winding of optical fibers and ultra-fine wires. It provides stable tension control, uniform arrangement, and ...

Showmark, LLC is a manufacturer of respooling and winding machines for delicate materials such as optical fiber, fine wire and other fine filaments. Standard and custom machinery includes Respoolers ...

Find your automatic winding machine easily amongst the 111 products from the leading brands (FADIS, Kabelmat Wickeltechnik, RIUS, ...) on DirectIndustry, the industry specialist for your professional ...

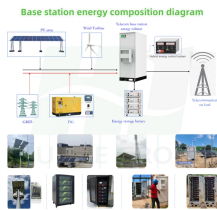

The professional solution for unwinding, winding and rewinding spools for round and flat wires, foils and optical fibers. Automatically traversing coil for laying precise winding.

Our equipment ensures efficient, reliable and seamless operation for all your cable winding and unwinding needs. Explore our range of Payoffs, Take-ups and Rewind Lines today.

Nextrom is the leading global supplier of production technologies for optical fibers and fiber optic cables. We provide solutions and equipment for optical glass making, fiber drawing, fiber coating, ribbon ...

Discover top fiber optic winding machines with precision tension control, PLC systems, and AI monitoring. Find reliable suppliers, compare specs, and click to source high-performance equipment ...

Whether in high-volume manufacturing, research settings or specialized applications, Supertek rewinding machines deliver exceptional precision, consistent winding quality and full adaptability to ...

We're fully equipped with coil winding machines, including automatic transformer coil winding machines and hand coil winders. From custom coiled cables to custom copper coils, our coil winding services ...
