New Zealand ONU Spectrometer Equipment

Buy Spectrometers. element14 New Zealand offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & technical support.

Optical emission spectrometers with inductively coupled plasma (ICP plasma) excitation sources offer ease of use, high sensitivity and precision and relative ...

By combining JASCO's EXTREMA with Advion's multi-use mass spectrometer, it can be used with a variety of systems, including UHPLC and supercritical fluid systems.

Explore a wide range of high-quality inspection tools and equipment at Inspection Tool Specialists NZ. From precise measuring instruments to advanced detection devices, we provide reliable solutions for ...

Find where to buy products from suppliers in NZ, including: distributors, manufacturers, bulk supplies and wholesalers of raw ingredients & finished goods. Search for products or services, then visit the ...

Atomic Absorption Spectrometer (AAS) (3) FT-IR Spectrometer (2) Flame Photometer (5) Inductively Coupled Plasma Optical Emission Spectrometer (ICP-OES) (2) UV-Vis Spectrophotometer (76)

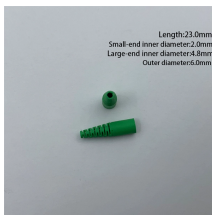

Our products include everything from sample preparation tools and analytical reagents to calibration standards and maintenance kits. Our mission is to empower New Zealand's scientific community by ...

Optical emission spectrometers with inductively coupled plasma (ICP plasma) excitation sources offer ease of use, high sensitivity and precision and relative freedom from interferences. ICP-OES ...

At Lab Supply, we get a real kick out of supporting New Zealand's next generation of scientists and connecting them with the science community.

The range of equipment and apparatus available ensures the laboratory has the capability to perform a wide sweep of tests. Contact us today to see how we can help you with your analytical problems or ...

41151601 325~1000nm Tungsten lamp, including 4 glass square cuvettes (package contain)
