

POF optical cable manufacturer

Overview

Preassembled polymer optical fibers with different cable diameters and materials. The robust construction of POF cables protects the fibers from environmental influences. Let us help you find the perfect solution for your project. Learn about the science behind fiber optics and POF, and how to use POF. Fully customizable Plastic Optical Fiber (POF) assemblies and harnesses are a rugged, cost-effective solution offering maximum flexibility for optical cabling in many industrial, medical, transportation, renewable energy, smart grid and consumer applications.

POF optical cable manufacturer

Custom Wire Industries proudly serves as a nationwide plastic optical fiber (POF) cable assembly manufacturer and supplier, consistently delivering the speed, precision, and security required for ...

Industrial Fiber Optics manufactures a complete line of fiber optic cable assemblies with Versatile Link (VL) connectors and industry-standard 1.0 mm plastic optical fiber (POF) cable.

COMOSS provides full plastic optical fiber (POF) solutions: transceivers, media converters, switches, connectors, POF cables and patch cord. Our plastic optical fiber products can meet your needs.

POF and PCF cables from WEINERT can be customized for both indoor and outdoor applications. The company offers a variety of cable designs to meet different needs.

Preassembled polymer optical fibers with different cable diameters and materials. We manufacture fiber bundles with up to 32 fibers. The robust construction of POF cables protects the fibers from ...

FiberFin offers a complete line of industrial-grade products, including POF cable, terminated cable assemblies, connectors, and accessories. To view our catalog or place an order, visit our store.

Fully customizable Plastic Optical Fiber (POF) assemblies and harnesses are a rugged, cost-effective solution offering maximum flexibility for optical cabling in many industrial, medical, transportation, ...

Mouser offers inventory, pricing, & datasheets for Plastic Optical Fiber (POF) Fiber Optic Cable Assemblies.

XiOptics leads the industry in providing low optical loss solutions for Plastic Optical Fiber (POF) media connectivity in harsh environments. We offer POF terminations in both Mil-T-29504 and ARINC 801 ...
