Perimeter Optical Cable Laying Price List

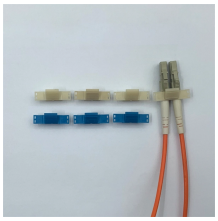

Overview

Basic run: 800 ft outdoor fiber drop with aerial installation, minimal trenching, and standard termination. Labor: 12–18 hours; Materials: $1,200; Total: $3,500-$6,000. This guide provides clear cost estimates, price ranges. Fiber-optic cable materials typically cost $1 to $6 per linear foot, depending on fiber count and cable type. Commercial building installations with 100-200 network drops generally range from $15,000 to $30,000. These cost data are obtained directly from a variety of sources. Conduit systems add $2-4 per foot but allow future cable additions.
