

Price list for QSFP28 Vertical Cavity Surface Emitting Laser

Overview

Mouser offers inventory, pricing, & datasheets for QSFP-28 Fiber Optic Transmitters, Receivers, Transceivers. Q2885P10C0PF is a high performance QSFP28 transceiver module for 100 Gigabit Ethernet data links over four multi-mode fibre pairs (ribbon fibre). The maximum reach is 100m (OM4) or 70m (OM3). The four transmitters are 850nm Vertical-Cavity Surface-Emitting Lasers (VCSEL) generating four optical. Please contact the Seller directly for warranty information. Warranty information may also be found on the Manufacturer's website. Buy 100G QSFP28 short-range multimode optical fiber transceiver module with fast shipping and top-rated. Pricing (USD) Filter the results in the table by unit price based on your quantity. Generally, the two main milestones in this phase are.

Price list for QSFP28 Vertical Cavity Surface Emitting Laser

This vertical cavity surface-emitting lasers buying guide provides technical background, comparison of major types, selection criteria, and an overview of suppliers.

Discover 100G QSFP28 module pricing. Learn key cost factors, considerations, and real examples to make informed purchasing decisions for your network.

Q2885P10C0PF is a high performance QSFP28 transceiver module for 100 Gigabit Ethernet data links over four multi-mode fibre pairs (ribbon fibre). The maximum reach is 100m (OM4) or 70m (OM3).

This vertical cavity surface-emitting lasers buying guide provides technical background, comparison of major types, selection criteria, and an overview of ...

It converts parallel electrical input signals into parallel optical signals, by a driven Vertical Cavity Surface Emitting Laser (VCSEL) array. The transmitter module accepts electrical input signals compatible ...

FS offers a growing portfolio of 100G QSFP28 modules. The 100G QSFP28 module solution provides high-performance 100GbE connectivity for data centres, enterprise core & distribution layers, ...

For a directory of all our manufacturers, please click below. Buy 100G QSFP28 short-range multimode optical fiber transceiver module with fast shipping and top-rated customer service. Newegg shopping ...

As network demand grows, understanding 100G QSFP28 module price is essential for network operators, data center managers, and system integrators looking for cost-effective solutions.

Mouser offers inventory, pricing, & datasheets for QSFP-28 Fiber Optic Transmitters, Receivers, Transceivers.

Featuring Vertical Cavity Surface Emitting Laser (VCSEL) technology and supporting Digital Optical Monitoring (DOM), it ensures precise and stable optical performance.

The Approved Networks QSFP28 transceiver module from Legrand is engineered for reliability and performance, featuring a data transfer rate of 103.1 Gbps, suitable for 100 Gigabit Ethernet applications.

FS offers a growing portfolio of 100G QSFP28 modules. The 100G QSFP28 module solution provides high-performance 100GbE connectivity for data centres, ...
