# Rack DC Power Distribution Unit Cold Aisle IP68 Manufacturer

MRS is among the popular cold aisle containment manufacturers that are on the front lines of this technological advance. MRS specializes in producing high-quality, custom-made materials from ...

By creating a physical barrier between cold supply air and hot exhaust air, containment solutions prevent airflow mixing and deliver over 95% airflow efficiency under normal operating conditions.

Whether implementing hot-aisle or cold-aisle containment, we are dedicated to delivering reliable, precisely fitted products. WindChill Engineering launched in 2012, building on more than four ...

Browse our products and documents for APC NetShelter Aisle Containment - Hot and cold air containment systems designed to maximize cooling predictability, capacity, and efficiency at the rack, ...

Standard sizes fit common aisle widths and heights while custom widths and heights can be easily accommodated. Can be easily assembled directly out-of-the-box with a single hand tool; attaches ...
