Sudan Adjustable Optical Attenuator Manufacturer

Overview

The single-mode adjustable fiber attenuator provided by JCOPTIX can be manually adjusted, which is flexible, convenient, and highly stable, avoiding damage to optical components caused by excessive light intensity. Also, please take a look at the list of 23 optical attenuator manufacturers and their company rankings. VIAVI offers the industry's most complete range of optical attenuators for installation and maintenance of singlemode and multimode. Optical attenuators are devices designed to reduce the optical power of a light beam or signal by a specific ratio (attenuation factor), typically expressed in decibels (dB).
