

Surge Protection Installation for Columbia Floor Distribution Boxes

Overview

Use AWG #10 stranded wire or larger (which is readily available and easily installed) to connect between the SPD and the breaker panel. Short direct connections. 3-phase AC Surge Protection Device SPD Installation for Distribution Box, Switchgear, Cabinets, Industrial and Commercial. 0:00. Surge protectors act like precision pressure-release valves that stop your expensive electronics from becoming surge casualties when lightning strikes or power fluctuations happen. Here's the uncomfortable truth: surges happen constantly. They're not just during thunderstorms either. Their job is to clamp down on transient overvoltages and safely divert surge currents to ground, keeping your sensitive devices safe. Instead of repeating definitions or legal standards.
