Uganda wholesale price transimpedance amplifier 2 5G

Buy Amplifiers Online. Enjoy safe shopping online with Jumia. Widest Range of Amplifier. ? Best Price in Uganda ?Fast Delivery & Cash on delivery Available.

With an input overload capability greater than 6ma p-p, the AGC allows more than 32 dB of dynamic range, providing a low-cost solution for longer-reach 2.5 Gbps GPON/ATM/SONET systems, as well ...

Shop for integrated circuits and wholesale transimpedance amplifiers chips, including analog, digital or mixed integrated circuits, monolithic ICs, microcontrollers & amplifiers.

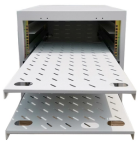

2.5G Avalanche Photodiode-Transimpedance Amplifier. APD TIA (avalanche photodiode - transimpedance amplifier) is a type of photodetector that utilizes the avalanche effect. It converts the ...

Featuring photodiode monitor and monitor invert functions the HLR2G50 offers the most flexible, high performance receiver solution for 2.5 Gbps applications available.
