

YH612G Industrial-Grade Ethernet Switch

YH612G Industrial-Grade Ethernet Switch

Moxa provides a wide range of industrial Ethernet switches that feature industrial-grade reliability, network redundancy, strengthened security, easy management, and competitive price-to ...

They are built to exceed the specifications of commercial switches with industrial safety certification and approval for hazardous locations, making them ideal for use at sites with harsh environmental ...

The Westermo range of industrial Ethernet switches are designed for use in harsh environments and allow you to build cost-effective, reliable, secure industrial networks.

Workhorses for a broad spectrum of industrial needs, these modular switches feature high-wattage PoE options, high-speed 10-GE uplinks, and advanced network security capabilities.

FS Industrial Ethernet Switches with robust design for harsh industrial and outdoor environments subject to vibrations, shocks and extreme temperature fluctuations from -40°C to 75°C generally.

Our switches are built for high network flexibility, cyber security and durability and are suitable for use in mission-critical environments.

Featured industrial-grade reliability, network redundancy, strengthened security, and easy management gives you the flexibility to build powerful and secure networks ...

We can provide sales of a large number of new or used transmission equipment, servers, communication power systems, routers, base station equipment, switches, SFPs, storage devices, ...

Narrow Ethernet switch, eight RJ45 ports with 10/100/1000 Mbps on all ports, automatic data transmission speed detection, autocrossing function, and QoS

Featured industrial-grade reliability, network redundancy, strengthened security, and easy management gives you the flexibility to build powerful and secure networks even in harsh environments.

L3 core Industrial grade ethernet switch 8 port gigabit + 4 port SFP++, 8 port PoE output, IP40 protection supports IPv6, static routing, VRRP, 1588v2 clock ZX48GST4-M-SFP
